Attention: Membership Department**

Internal Revenue Services rules require us to remind you that contributions or gifts to the Manufactured Housing Institute are not tax deductible as charitable contributions for federal income tax purposes. However, dues payments may be tax deductible by members as ordinary and necessary business expenses subject to restrictions imposed as a result of associations lobbying activities. MHI estimates that the non-deductible portion of your 2012 dues - the portion which is allocable to lobbying - will be 30 percent.
